

# 2016 AFIX Questionnaire

Clinic Name: \_\_\_\_\_

Date of Assessment: \_\_\_\_\_

Contact person(s): \_\_\_\_\_ Contact's Phone # \_\_\_\_\_

## **Strategies to Improve the Quality of Immunization Service**

Question	Yes	No	N/A	QI
1. Do you have a reminder/recall process in place for pediatric patients?				
If yes, how often is reminder/recall conducted? (i.e., weekly, monthly, quarterly)				
If yes, how is reminder/recall conducted? (i.e., mail, email, text)				
2. Do you offer walk-in or immunization only visits?				
3. Do you routinely measure your clinic's pediatric immunization coverage levels and share the results with your staff?				
4. Do you schedule the next vaccination visit before patients/parents leave the office?				
5. Do you contact patients/parents within 3-5 days when a "well child" or "immunization only" visit is a "no show" and reschedule it for as soon as possible?				
6. Do you have an immunization champion at this practice that focuses on QI measures, reducing barriers, and improving coverage levels?				
7. Do you regularly document vaccine refusals and reasons for refusals (parent choosing to delay, parent has vaccine safety concern, medical contraindication, etc.)?				

## **Strategies to Decrease Missed Opportunities**

Question	Yes	No	N/A	QI
1. Does your immunization staff educate parents about immunizations and the diseases they prevent, even when the parents refuse to immunize?				
2. Do you have immunization resources to help answer vaccine questions from patients/parents?				
3. Is your immunization staff knowledgeable and comfortable with current ACIP recommendations, including minimum intervals, contraindications, etc.?				
4. Do you train the front desk/scheduling staff so they know when it's appropriate to schedule immunization appointments?				
5. Do you have and use standing orders for registered nurses to identify opportunities to administer all recommended vaccines?				
6. Is your immunization staff knowledgeable and comfortable with administering all recommended vaccinations to patients at every visit?				
Are immunization records reviewed at all patient visits, well-child and sick/other visits?				

## **Strategies to Improve IIS Functionality and Data Quality**

Question	Yes	No	N/A	QI
1. Does your staff report all immunizations you administer at your clinic to imMTrax?				
2. Does your staff report immunizations previously administered to your patients by other providers to imMTrax?				
3. Do you inactivate patients in imMTrax who are no longer seen by your practice?				
4. Do you use imMTrax or your EHR forecaster to determine which immunizations are due for each patient at every visit?
